

# Southwest High School Media Center

## How To: Access EBSCOHost

1. Go to the library's catalog page.
2. Open the QuickLinks drop-down menu
3. Select Periodicals - EBSCOHost

4. On this screen select Student Research Center - High School & Middle School

5. Type the term you are going to search for in this box.
6. Then press search.

7. You can narrow your results by subject or publication.
8. You can also narrow your results by source.
9. You can start looking for through the articles in this list.
10. REMEMBER you want to find **Full Articles**, not just descriptions of articles in other sources.

11. Remember to look at the document on how to create a research account so you can save the articles you want to keep track of.
