

Senior Tributes

Dear Senior Parents, Family members and Friends

We are happy to give you an opportunity to honor your senior in the 2010-2011 yearbook by purchasing a full-color senior tribute. By purchasing a senior tribute for your son/daughter, you will be expressing your pride in his/her accomplishments through many years of education.

These tributes range in size from 1/4 page to a full page. The tribute might include pictures, a good luck message, congratulatory remark, etc. You may want to refer to a previous yearbook for an idea of what others have done. Please read this sheet for all the information.

If you are not submitting a camera-ready design, placement of photos and wording should be indicated on the attached sheet. Your photos must be either, e-mailed, brought in on a CD or on a flash drive. Exact wording should be typed or written on a separate sheet of paper, and placement should be clearly indicated on your sketch. (I can scan 4x6 photos only)

Other Guidelines:

- No photos of naked babies
- Because of copyright law, we cannot accept song lyrics, poetry or passages of text from any published source without the author's written permission.
- If you submit photos on disc that were taken by a professional photographer, you must have permission from the photographer to use them.
- If you are designing your tribute yourself, you must save it as a Windows .jpg, or pdf file. No others will be accepted.
- Please label your CDs and your flash drives with your name address and phone number so we may return them to you
- All outside boarders will be done by the Aerie staff.

All orders will be turned in to the ASB office. We accept cash, checks, or money-orders. All check should be made out to SHS. See the information below regarding pricing and deadlines.

Tributes are accepted on a first-come, first-served basis; please do not ask us to make exceptions.

Please use this form when submitting your senior tribute.

Name of senior as you want it to appear: _____

In the space below, sketch the tribute as you want it to look. Number the photos on your CD's or flash drive so we'll know where they should be placed or we will do it for you. Indicate where you want your message placed and attach a typed or clearly written message. Proofread all copy and check the spelling of all names because we will reproduce the word exactly as they're typed or written. Please keep in mind the proportion of the tribute you've chosen. For example, don't design a 1/4 tribute ad and give us 15 pictures and a long quote. It just won't fit. A 1/2 page ad will be either on the top or on the bottom half of the page.
