In 2011, Anthony was diagnosed and subsequently passed away from a rare and aggressive cancer during his senior year at Brawley Union High School. Because of the tremendous love and support the Garcia Family received during this time, the Anthony Garcia Foundation was established in his memory to continue assisting cancer patients and their families while they receive care, promote youth activities, and award scholarships to high school seniors. Anthony's motto and quote on his letterman's jacket is "Work hard and make every rep count!"
